

LJS Easter Egg Trail

Laxton
Junior School

OUNDLE

Find the colourful Easter egg posters around Oundle town centre by following the map, note down the letters and solve the anagram to discover the final destination, where you will be able to collect a free Easter activity pack aimed at children aged 3 to 11.

You don't have to follow the numbers in order but we would recommend that you go to the higher numbers last to get you closer to your final destination!

The eggs on the posters were designed and decorated by children who attend Griffin Club, the wrap-around provision at Laxton Junior School.

Wishing you all a Happy Easter, from all of us at LJS!
